

REMARKS

The title of application has been amended.

The claims have been amended to eliminate multiple dependant claims from the underlying PCT Application No. PCT/FR2005/000581 in order to reduce filing fees. The newly amended claims, *inter alia*, conform the claims to United States Patent and Trademark Office rules and do not add any new matter to the application.

The underlying PCT Application No. PCT/FR2005/000581 includes an International Search Report, dated July 06, 2005, a copy of which is included. The Search Report includes a list of documents that were considered by the Examiner in the underlying PCT application.

It is respectfully submitted that the subject matter of the present application is new, non-obvious and useful. Prompt consideration and allowance of the application are respectfully requested.

Respectfully submitted,

Dated: Sept. 20, 2006
